11. What learning activity was most useful for you and why? *

1. Chistos workshop.
2. Learning design-creating a lesson plan with Learning Designer (London), creating e-quiz with Kahoot, creating e-lessons on bullying topic
3. Creative experiential workshop for reconstructing stereotypes around the phenomenon
4. Forms and indicators of bullying-with contribution of invited expert Dr Olga Koundouri, a lecturer in the Department of Psychology at the University of Cyprus
5. Lecture with Chistos because it was practical and helped me to interior and reflect about bullying.
6. The workshop 4 with Christos. Because he is a excellent communicator and teach us some practical exercises that we could do in our school.
7. Workshops with Cristous and Olga because these have been some very new as methods and strategy, very valuable for my practice
8. The workshop made on Wednesday made by the psychologist, because i could turn into practice some theoretical knowledge.
9. The workshop with psychologist because it was a good example for methodology and contents
10. The activity with the external partner, Christos: Creative experiential workshop for reconstructing stereotypes around the phenomenon
11. The game of the lemon. The children speak about the differences...
12. Interactive seminar from the expert.
13. The interactive activities

12. What aspects of the mobility could have been organized better? *

1. The reception, tell better the timetable, not leave alone in a foreign country.
2. everything was perfect
3. everything was good
4. everything was fine
5. Better organized workshops, all participants should have to meet the schedules and a view of Nicosia better organized.
6. The visit a Nicosia, few pause times,
7. The quality of the workshops preparation and time management
8. The first workshop.
9. Surely the accommodation
10. Some workshop activities
11. I think is important all people speak a little English to participate and all teacher are in workshop, no sometimes. In my opinion the people who are not teachers no must be in the courses because is a strange situation.
12. More seminars from external partners
13. More seminars from the specialists
