

Erasmus+

Greek Schools with the Greek Cyber Crime Division. and the pedagogical advice that school and teachers advisors in Greece usually give to teachers about students' behavior at school. During the workshop the partners had the time to think **and discuss about** the complaints of their students' for their classmates/schoolmates behavior. We also discussed about our roles as teachers and inspectors (A.Molnar_B. Lindquist)and we agreed that the support of the experts (school advisors, psychologists, social workers, special education teachers) are of great importance.
