Registration & Introduction. The Headmaster of the host organisation 12th Primary school of Drama welcome all the participants

Workshop 1: "How the Greek educational system deals with bullying" by Mr. Ananias Tozakidis, School Advisor

Mr Tozakidis informed the partners and the participants of the event, about the researches of the Greek Ministry of Education and Religious Affairs, which are relative to bullying and cyber bullying in the Greek schools and additionally about the actions which have been done to inform, train and collaborate to prevent bullying and school violence in the Greek School community. In the workshop the partners and the participants talked about and presented both the structure of the educational system against bullying in their countries and the prevention measures in their schools.

Short Break

Workshop 2: "Bibliotherapy and bullying", by Mrs. Eleftheria Kalokyri MSc,

Mrs Kalokyri presented and explained with good practice examples how Bibliotherapy uses books to help people to solve their problems, to cultivate the emotional intelligence and offer students a safe environment.

After the presentation, the partners and the participants were given the time to express themselves and their actions. As an example of good practice connected to the theme, the actions of the teachers of the Greek 12th Primary School of Drama about the "Children's Book World Day" were referred.
